When an Employee is new to the district or moves from one category to another, the employee's immediate supervisor will recommend to the superintendent placement on the salary schedule. This placement will take into account experience the employee has in a similar nature to the job the new or moving employee has. An employee requesting a transfer or that is being reassigned will be told where his/her placement will be prior to moving, The District is not obligated to count experience outside the District. The Superintendent will make the recommendation to the Plainview Board for final placement.
